### **MEETING 17 JULY**

The topic for this meeting is "How Consultants Can Use RSS Feeds." The program will be presented by Gene Bohn, Owner of E-Commerce Technology/Michiana, Bristol, Indiana. Mr Bohn will show how Internet RSS Feeds can be used. He works with small and medium-sized businesses to integrate E-business tools into their daily operations. ### **MEETING IN AUGUST**

Due to the summer schedule of CR members, the only meeting in August will be on the 21st. No program will be presented. Instead this will be a discussion of interest to consultants. The specific topic will be announced a week or so prior to the meeting date.

### **MEETING IN SEPTEMBER**

With Labor Day occurring on the first Monday of this month, there will be only one meeting in September. The date of that meeting is the 18th. This will be in program format with a speaker yet to be announced. Watch the Business Section of the South Bend Tribune for the program speaker and the topic, usually appearing a week or so in advance of the meeting date. Also, [www.consultantsroundtable.org](http://www.consultantsroundtable.org) will carry the September Table Talk with information about the program.

### **NO FREE LUNCH**

"To get profit without risk, experience without danger, and reward without work is as impossible as it is to live without being born."

- A. P. Gouthey

(Note: the writer does not recognize the name of the person quoted above. However, it must be concluded that he was an entrepreneur. The foregoing accounting seems to define what an entrepreneur knows so well. Entrepreneurs are exposed to risk, danger, and work. Those three ingredients fit successful entrepreneurs - past and present. Another quote works well here, too: "If at first you don't succeed, try, try, again.")
