## TABLE TALK for JANUARY 2005

MEETINGS: 10 AND 24 JANUARY 2005

### 10 JANUARY MEETING

Happy New Year! Yes, it's tax time again, and how happy is that? Don Vander Hey of General Business Services, Elkhart and member of Consultants Roundtable, will speak about Income Taxes. He will update us on changes in reporting for 2004 and things to be aware of in conducting business in 2005. Most of the CR members file a Schedule C or report a Schedule K-1 from an LLC, an LLP, or an 1120S. Don always has a few tips for us on reporting to make things a little easier.

Also at this meeting the new officers will be installed and other CR business report for 2004 will be given. This meeting is considered CR's Annual Meeting as provided by state law.

### 24 JANUARY MEETING

Don Vander Hey is the man of the month because also at this meeting he will lead discussion on a topic which he will announce at the 10 January meeting. As you will read in the next paragraph, Don is the Second Meeting chair for 2005

### 13 DECEMBER MEETING

For personal reasons your Table Talk editor missed this meeting; but, it is ably reported by CR Treasurer Jim Dominello. New officers to take office at the first meeting in January for 2005 were announced at this meeting. They are: Chairman, Robert F. Conte, Esq.; Treasurer, James J. Dominello; Secretary and Table Talk Editor, James G. Perkins; Program Chairman, David A. Pfister; Discussion Meeting Chair, Don Vander Hey, Web Site Coordinator, Gene T. Bohn. Also, Dr. Clifford J. Ahonen is Past Chairman.

Aside from these formalities, CR's annual free breakfast was enjoyed by all CR members in attendance, and a lively discussion of various topics ensued. This was the only meeting in December.

### DUES

This also is the time of year that annual dues of \$50 are due. They cover the costs of the annual CR directory and our web site.

### TIME FOR GRATITUDE?

The only thing that hurts more than paying an income tax is not having to pay an income tax.
